Nurturing the development of children by a stron of family and community.

2018-2019 ACCOMPLISHMENTS

072 children served this year.

children ages 3, 4, and 5 were screened for hearing, vision, and developmental delays. 75 children were identified with delays and received follow-up remedial services so they would be ready for kindergarten.

first time pregnant/ parenting teens learned parenting skills and strategies for caring for their child and received support reaching their goals.

children twice a month.

unduplicated teachers and directors attended trainings on topics ranging from early literacy to diapering and CPR /first aid.

We would like to say thank you to our partners:

Building a strong 2018-2019 IMPACT REPORT

in years past. Because of you, the future is bright at the Children & Family Thank you so much for your continued and steady support this year and

Children & Family Resource Center

Community. Kids. Connections.

Children and Family Resource Center has been a part of my life for many years, but when it truly made an impact on me was when I became a part of the Adolescent Parenting Program.

I was a bit hesitant at first, letting a stranger into my personal life, but if not for my parents and my mentor Rachel, from APP, I don't think I would have been as motivated to succeed. Thank you CFRC for everything you do to support families and especially teen parents!

The **Adolescent Parenting Progam** helps adolescent parents build better futures for themselves and their child by providing support to continue their education, delay a subsequent pregnancy, improve parenting abilities and to become self-sufficient and better able to support themselves and their families.

Parents as Teachers has helped us to grow and become better informed on how to educate our kids and learn of things in our community.

- Tasha & Jason

Parents as Teachers promotes the optimal early development, learning and health of young children (prenatal to 5) by supporting and engaging their parents and caregivers through home visits, group connections, screenings and resource connections.

Every year we see more and more children coming in with speech delays. The PREP screenings identify those delays and then they go to work with the children, providing the child, their parents, and their teachers with the tools and resources to develop the language skills they are lacking.

I wish there were more PREP people and that they could be in our Center year-round.

- Alice, director of Alice's Playground Center

PREP (Preschoolers Reaching Educational Potential) prepares children (ages 3 to 5) for successful learning through early detection of developmental delays via annual screenings and follow-up remedial services. Screenings are held at area childcare and preschool centers and include screenings for vision, hearing, and developmental skills.

Programs & Services & program Accomplishments 18-19

Adolescent Parenting Program (APP)

During the past fiscal year, 43 first time pregnant/ parenting teens were served in APP. **There were 14 APP Graduates, 91% retention rate.**

Parents as Teachers Program (PAT)

The PAT program served 46 families during the fiscal year which included 66 children. 13 Group connections were offered to families and **50 children received developmental screenings.**

Preschoolers Reaching Educational Potential (PREP)

During the past fiscal year, **1,177 three and four-year olds in Henderson and Transylvania Counties received developmental, vision, and hearing screenings.** Follow up remediation services were provided to 74 children.

Child Care Resource & Referral Core Services (CCR&R)

During the last fiscal year, **59 trainings** were provided to child care providers and directors, **401 teachers/directors attended trainings, and 346 on-site technical assistance visits were completed**.

Incredible Years Parenting Program (IY)

During the 2018-19 fiscal year, 4 Incredible Years series were held **serving 30 adults and 39 children.**

parents Matter!

held **5 series serving 25 parents/caregivers and 34 children** ages 9-12.

Circle of Parents (CoP)

The Circle of Parents program offered peer-peer leadership and support to **32 parents and a parallel children's program to 26 children in 2018-2019.**

Parent Child Interaction Therapy

During the first year of offering the program, **11 caregivers have received therapeutic intervention** to learn how to use effective relationship and behavior management skills with their child who is presenting challenging behaviors.

Community Response Program

During the past fiscal year, **25 parents and 42 children** were served through the Community Response Program.

Scholarship for Single Parents

During FY 18-19, we awarded **scholarships to 16 recipients**. The scholarship allows single parents to continue their education at the post-secondary level. Awards of \$1,000 are given to eligible applicants in order to pay for tuition, books, or other needs in the pursuit of higher education.

🧇 Early Learning Center

A lending library for early childhood professionals and parents had **134 members** at the end of the fiscal year.

鄻 Once Upon a Time

28 volunteers read to 298 children throughout the year focusing on development of pre-literacy skills. 81% of children showed improvement in book knowledge and print awareness concepts.
