SACERS U book
for the training!

A learning module that provides an in - depth look at school age environments, the importance of interaction, materials, and indicators in the SACERS - Updated assessment. Stop asking, "am I ready?" and instead feel prepared and equipped with knowledge, tools, and strategies to produce a successful SACERS - U score and create an environment that is both appealing and appropriate for the children and staff. Scared of the dreaded interview? Fear no more! Practice here. Participants will engage in strategies and activities that relate their environment to the NC State Education Standards as well as meet the SACERS - U requirements.

Through discussion, group activities, and Q&A , participants will be able to use the SACERS - U tool to improve their school age program environment by locating resources, additional notes for clarification, analyzing and scoring environments, identifying low scoring items, and explaining the interview process.
